CIRCULAR

This is to remind all 1st year Engineering students that the deadline for clearing fee dues for the Academic Year 2023-24 is approaching. We would like to emphasize that there will be no extension of the deadline for fee payment.

All students with outstanding fee dues are required to clear them on or before 05-04-2024. Failure to do so will result in a late payment fee of Rs. 100/- per day, starting from 06th April 2024.

To avoid incurring any late payment fee, we strongly encourage all students to promptly settle their fee commitments for the Academic Year 2023-24.

Furthermore, please note that students who fail to clear their dues even before 15th April 2024 will not be entitled to attend classes henceforth.

For any queries or assistance regarding fee payments, please feel free to contact the administrative office.
