Industrial Visit to RMC & Pre-cast Industry

1. Visit to Nuvoco vistas RMC Plant

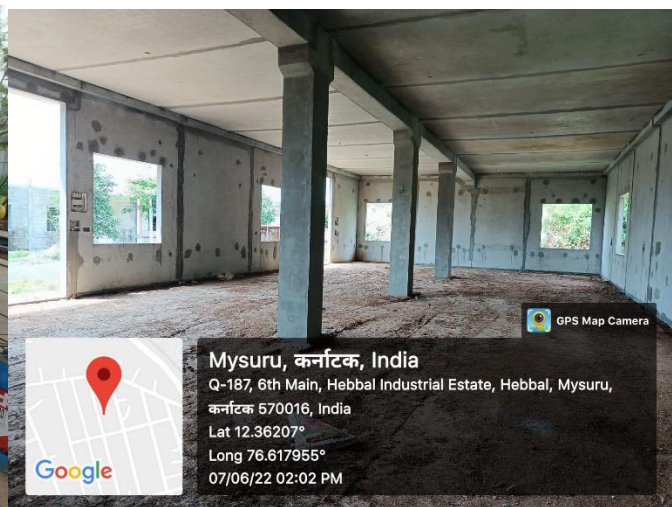

Nuvoco vistas team welcomed us with good hospitality. The team explained each and every details about RMC plant. It helped the students as it is related to their present academics.

DEPARTMENT OF CIVIL ENGINEERING

2. Visit to Precast Yard of PG Shetty Construction Pvt. Ltd

Later we visited PG Shetty Constructions Private Limited. Luckily company's MD Somashekar was present at the site. Their team explained to the students about precast slabs. Dr. Giridhar (Retired professor & Vice-Chancellor) was also present who explained about advanced technology of precast slabs, beams, columns etc. The company had arranged lunch for the students.
