ATME College of Engineering Conducts Workshop for Engineers and Contractors in Association with ADANI Cement on 21-02-2025

ATME College of Engineering, in collaboration with ADANI Cement, recently organized a comprehensive workshop aimed at enhancing the skills and knowledge of engineers and contractors in the region. The event was presided over by **Dr. L. Basavaraj**, Principal of ATME College of Engineering, who highlighted the significance of industry-academia partnerships in fostering professional growth.

The workshop featured eminent resource persons **Er. Hitesh Prasad** Regional Technical Service Manager, Adani cements, Mysuru. And, **Er. Harpreetsingh Jaggi** South India Technical Head Adani cements, Mysuru who shared valuable insights on modern construction materials, sustainability, and best practices in the industry. Their sessions provided practical knowledge, bridging the gap between theoretical learning and on-site execution

Prof. Bharathi B delivered a focused talk addressing the unique challenges faced by contractors, offering strategies to navigate the evolving construction landscape effectively.

The event also saw the presence of **Prof. Manu Vijay**, Head of the Department of Civil Engineering, **Er. Yogaand**, Technical Manager at ADANI Cement, **Er. Manu M.**, Technical Engineer at ADANI Cement, and other esteemed faculty and staff members, contributing to the workshop's success.

Mrs. Shruthi H.G. adeptly managed the proceedings as the Master of Ceremonies, ensuring a seamless flow of events throughout the day.
